Description

Elegance meets function in the Brass Taps

While most people think of a kitchen tap as a functional necessity, there is no reason why it can't also be a stylish focal point. The brass kitchen tap is a perfect example of form meeting function. The RH-140-EX brass tapware's sleek, minimalist design is perfect for modern spaces, while the brushed, warm gold finish adds a touch of luxury. This gold tap comes complete with a pullout hose for easy cleanup after cooking, gleaming its signature brushed gold color!

The finest stainless steel is used to make this brushed brass tapware, which means you can enjoy your new brushed brass kitchen mixer without worrying about rusting or discoloration.
