Description

The Copper Kitchen Tap: It's a taste of luxury

Copper is a hue that many assume to be old-fashioned, yet it may really be applied in a contemporary fashion. Kitchens are an excellent place to use one of these, which may offer a distinctive touch of elegance thanks to the copper tapware. The RH-150-EX from Nivito's line is a beautiful, sleek, and polished brushed copper tapware with a pullout hose. The brushed finish on these copper taps adds more than simply aesthetic value; these are a must-have for any modern kitchen.

Our copper tap mixer is made of the best stainless steel to ensure that it will last for many years to come. Choosing a copper tapware by Nivito might elevate your kitchen's aesthetic appeal.
