Description

Brass Taps - Refine your kitchen style with this sophisticated piece

There are many different styles of brass tapware to pick from in today's kitchens, so it's crucial that you find one that reflects your own taste while still being quite functional. Your kitchen will seem as if it was always meant to have the RH-340-EX brass kitchen tap with its brushed brass and pullout hose because of brushed brass tapware's sophistication and practicality.

Stainless steel is the foundation of this outstanding RH-340-EX gold tapware. With regular usage, you can expect your gold taps to last for many years.
