Description

The golden Brass Kitchen Tap is an elegant as well as functional addition

There is no denying that a gold brass tapware is an indisputably fashionable and efficient addition to any kitchen. Dishes can be easily washed or pots and pans refilled with the pullout hose, which complements the subtle and sophisticated gold finish. Nivito's lovely brass taps are fully equipped with everything necessary to transform any kitchen into a heaven for cooks. Because of its luxurious, brushed gold finish, the brushed brass tapware can be easily coordinated with the majority of interiors, a feat that cannot be accomplished by any of the other products available at this price point.

The refined and long-lasting RH-640-EX gold tapware is fabricated from the highest quality stainless steel available. These gold taps are built to withstand frequent use and are exceptionally sturdy.
