Description

The Brass Tapware by Nivito - Improve any modern kitchen

When choosing a kitchen sink, consider function and appearance. A brass kitchen tap can add a touch of luxury to any kitchen, and it's a great way to inject personality into the space.

The sleek and attractive design of the RH-140-VI brass taps will brighten up any kitchen. The brushed finish on this brushed brass tapware adds more value for your money, as well.

This is the most impressive gold tap on this page. Our gold kitchen tap is made of stainless steel to ensure it is durable and very handsome in appearance!
