Description

The brass tapware - Make an elegant statement in a modern kitchen

Bring your dated kitchen into the 21st century with the brass taps. This industrial brass kitchen tap with a brushed finish and solid components is the RH-340. This gold tapware is definitely one of the most appealing designs that you will come across.

The brushed brass tapware's durability is no exception! The brushed brass kitchen mixer is built to withstand the test of time thanks to its superior materials and manufacturing.
