Description

Get a luxurious kitchen with a modern Brushed Copper Tapwaret

If you're considering a kitchen remodel, one of the best ways to add a touch of luxury is to install a copper kitchen tap. The newest addition to our collection is a copper tapware from the RH-350 series. This sleek and beautiful copper tap design will make your sink look like new with its brushed finish.

Our superior copper taps will last for many years to come. Unlike other taps on the market, the RH-350 brushed copper tapware won't corrode, crack, or chip over the years.
