Description

The Copper Kitchen Tap - Update your kitchen with a modern look

Give your kitchen a modern look with our mixer tap from Nivito. The copper tapware is not only visually appealing, it also provides a durable surface that resists scratches and scuffs.

Nivito RH-370 copper tap mixer is a top quality product that can help to update the look of your kitchen. The copper tap is made of pure stainless steel. The coating finish on the surface is designed to resist tarnishing and corrosion, and it will also help to protect the tap from scratches.

The copper tapware from Nivito is sure to give your kitchen a new and fresh look.
