Modern Mixer Tap - Change the look of your kitchen

You can find a lot of different kitchen taps on the market. However, one color that is becoming more popular is copper. The copper kitchen tap has a unique look that can really change the look of your kitchen.

The elegant and modern design of our RH-370 copper tapware would be a great addition to any kitchen! The finish of copper tap will bring an industrial touch while still maintaining its beauty.

Our copper tap mixer is a sleek and modern kitchen utensil that will not rust or discolour, during use. The copper tapware is made of stainless steel which makes it stand out among other metal counterparts in terms of durability!
