Description

Nivito's brushed stainless steel Black Hose exemplifies authentic design.

Keeping up with the most recent developments in home design is not a simple task, but it is necessary if you want the kitchen tap you choose to be one that is both elegant and practical. You will undoubtedly find everything you want for any room in our stainless steel pull out kitchen tap. The SH-200 flexible kitchen tap looks great and provides a lot of functionality thanks to its brushed steel pullout hose. Its brushed steel finish does not show fingerprints or smudges, and the pullout hose on the mixer tap makes it very simple to clean all of the components of your sink.

This kitchen tap by Nivito is constructed of high-quality stainless steel, which confers upon it an exceptional level of durability and makes kitchen mixer tap exceptionally simple to clean.
