Description

This Vintage Tapware - A stainless steel finish with a porcelain handle

With our vintage taps, we've established a timeless appeal that will outlive any other tap design trends. Because it's a timeless design, the CL-110 traditional tapware has remained popular over the years. The traditional kitchen taps have a beautifully curved spout that rotates 360 degrees and are made of long-lasting stainless steel for greater durability. Traditional kitchen tap features an eye-catching porcelain handle and is perfect for a set of sinks. Allowing for simple access to both hot and cold water settings, you may regulate the temperature to your liking.

These traditional taps are perfect for bringing a vintage feel to your kitchen and making it more inviting for you and your family to cook in.
