Description

Take pleasure in the modest sophistication of a stainless steel brushed stainless steel tapware

The vintage tapware is a timeless design that will continue to be popular for a very long time. This classic design is suitable for use in any kitchen, and it will continue to look beautiful for many years to come. Because of its brushed surface and pullout hose, the CL-200 vintage taps is an excellent choice for a conventionally designed household. The traditional kitchen taps are the perfect complement to any kitchen thanks to its sleek lines and exquisite simplicity provided by the porcelain handle.

You can be assured that your traditional tapware, which is made of stainless steel and is very long-lasting, will be able to readily endure the wear that traditional kitchen tap receives for many years to come.
