Description

The Brass Sink by Nivito - Add luxury to your home

The kitchen is often seen as the heart of the home, and the sink is one of the most important items in any kitchen. When a large kitchen sink is installed, it transforms a space from ordinary to extraordinary. This CU-500-180-BB gold sink is a perfect addition to any modern space. The brushed finish on this brass kitchen sink will complement both contemporary and traditional designs.

Because this gold kitchen sink is made of excellent material, this flush/top mount sink will last much longer than cheaper ones on the market today.
