## Vintage Tapware – An exciting combination of classic and modern style

Although you understand that a modern kitchen should have a clean appearance, you can do something about the retro design that appeals to you and reminds you of the old days. With our Nivito copper kitchen tap, you can get a look that is both modern and retro in style.

Our vintage taps are made of pure stainless steel with a copper coating on the surface, make this copper tapware stands out as a unique and exceptional piece. A distinctive style of this traditional tapware also shown by the design, which is adaptable to any kitchen setting. With its striking form, these traditional taps enhances the appearance of any kitchen, whether it's in a conventional or ultra-modern style.
