Description

The golden Vintage Brass Tapware will make your life easier in many ways

Finding the ideal kitchen tap may be a challenging endeavor; however, there is no need to lose hope since we have the solution you've been looking for. The vintage tapware by Nivito is the epitome of form and function, making it the ideal accessory for a kitchen with a more classic aesthetic. This vintage taps in polished gold will definitely draw your attention due to its sophisticated appearance. In addition, this gold kitchen tap has a handle made of white porcelain, which is soft on the user's hands and makes it suitable for use while dishwashing.

The CL-260 traditional tapware is a product of absolutely excellent quality thanks to its long-lasting finish, which is guaranteed to never rust. Because these traditional taps are crafted from stainless steel, they have been designed to last for a great deal of time.
