Description

Kitchen Sink - Its exceptional design will distinguish your kitchen

Like any modern appliance, the Nivito CU-500-BC copper kitchen sink has a certain personality. This copper sink features a sleek design and superior performance, this product is a must-have for anyone who loves to cook. These kitchen sinks are the perfect solution for any kitchen space! It takes up maximum counter space and provides plenty of storage.

However, these sinks don't forget how useful they are just because they look so good. Our flush/top mount sink is made with lots of high quality parts, so you don't have to worry about rusting or hurting your hands. With so many advantages, it would be unfortunate not to have this item in your kitchen.
