Description

The Gold/Brass Sink - Sleek, modern design

By the bright golden color, the Nivito gold sink is not only a stunning accent. The unique draining basin added to the appeal of our large kitchen sink. This sink is quite large, and it has a lot of practical benefits. It will always have a favorable impact on your kitchen existence.

The brass kitchen sink is also a visual dream. The form is especially elegant. You can improve the overall look of your kitchen without much work with this big kitchen sink. Your kitchen will appear to be more attractive and thus you'll be more satisfied, thanks to CU-500-180-BB undermount kitchen sink.
