Description

Minimalism for your bathroom, exemplified by the Black Mixer Tap

"Less is more" defines minimalism. This design approach cuts away anything unnecessary to produce a clean look. Install a black tapware bathroom to complete your minimalist bathroom.

This matt black tapware has minimalist lines and a matte finish. It is named the RH-62 black mixer tap bathroom. This black basin mixer tap will fulfil your goal. Our modern black tapware bathroom is corrosion-resistant and made of stainless steel.
