Description

The minimalist White Bathroom Taps

With their stain-resistant matte white finish, you can bring elegance and class to your bathroom. The RH-63 white mixer tap has an edgy and sleek appearance that will go well with your bathroom decoration. With a single handle, control the water flow and adjust the temperature with ease, The mixer tap is a symbol of convenience in modern homes.

The basin tap mixer is constructed of high-quality stainless steel that's made to survive of corrosion, rust, wear, and stains.

The bathroom mixer tap is a low-maintenance, long-lasting investment that provides excellent value. The tap mixer provides a beautiful finishing to a minimalist, contemporary area of your bathroom.
