Description

Stainless steel Sink: robust and elegant look

A stainless steel kitchen sink is a terrific addition to any kitchen. Not only is it sturdy and simple to clean, but it also offers additional benefits.

The CU-500-B kitchen sinks are both efficient and stylish. Undermount sink's steel looks great and is easy to clean. The waste basket, drain, and overflow cover are all included. This stainless steel sink is built of durable stainless steel. The CU-500-B is a flushmount sink with a sleek appearance and strong construction.
